It is agreed that the Lender shall have the right, at any time and from time to time, to assign its rights and obligations under this Loan Agreement in respect of all or part of its Available Commitment or Loans to another person (the "Assignee"); provided, however, that the Assignee of the Lender shall have a rating on long term unsecured indebtedness of BBB+ or higher from Standard & Poor's or the equivalent from another recognized rating agency (or with respect to a Brazilian assignee, the equivalent local currency rating) or if such assignee is not rated, such assignee shall have at least the same financial capability or support as the assignor to meet its obligations to make Loans hereunder; provided, further, that the quotaholders of the Company, acting reasonably, shall first approve such assignment unless such assignment is made to a quotaholder of the Company or a wholly owned subsidiary of PETROBRAS. The Lender shall not assign any of its Available Commitment or any outstanding Loans if the effect of such assignment were to impose costs on the Company in excess of the costs that would have been incurred by the Company prior to such assignment.

Section 12.2 Notice of Assignment. No assignment under Section 12.1 shall take effect until the Company has received a notice of assignment from the Lender in the form attached hereto as Exhibit 4, containing, *inter alia*:

(a) the Available Commitment of the Lender and the Assignee following the assignment; and

(b) copy of a deed of adherence in the form attached in Exhibit 5 by which the Assignee undertakes to perform all the obligations of the Lender under this Loan Agreement in respect of the amount of the Available Commitment assumed by it pursuant to such assignment.

Section 12.3 Effect of Assignment. Upon any assignment under this Section 12 becoming effective:

(a) the Lender shall cease to have any obligations in respect of the Available Commitment assumed by the Assignee; and

(b) the Assignee shall assume all of the rights, duties and obligations of the Lender under this Loan Agreement with respect to the Available Commitment assigned to it.

SECTION 13

PLURALITY OF LENDERS

Section 13.1 Obligations Several. Following an assignment under Section 12, the obligations of the Lender and the Assignee hereunder are several and the failure by one to perform its obligations hereunder shall not relieve the other of its obligations hereunder nor shall it affect the obligations of the Company towards the other, and neither the Lender nor the Assignee shall be liable for the failure of the other to perform its obligations hereunder.

Section 13.2 Lender's Participation. Following an assignment under Section 12, the Lender and the Assignee shall participate in each Advance made pursuant to Section 3.1 in the proportion borne by its Available Commitment to the Available Loan Facility immediately prior to the making of that Advance.

Section 13.3 Distribution between Lenders.

(a) Payments by the Company hereunder shall be made directly to the Lender and the Assignee in the amount due to it out of such payment, as advised to the Company by the Lender and the Assignee in accordance with Section 14.

(b) In the event that, on any payment date, the Company pays less than the amounts due on such date, the monies paid by the Company shall be apportioned among the Lender and the Assignee *pro rata*. If the Lender or the Assignee (the "Defaulting Lender") fails to disburse its share of any Advance under this Loan Agreement in full, then on each Payment Date, monies paid by the Company shall be applied, subject to Section 8 of the Quotaholders Agreement, first to meeting all monies due on that date to the non-defaulting Lender or Assignee before the application of any monies towards paying the Defaulting Lender.

Section 13.4 Redistribution of Payments between Lenders. Following an assignment under Section 12, if at any time the proportion which the Lender or the Assignee hereunder has received or recovered in respect of its portion of any payment by the Company hereunder is in excess of the amount to which it is entitled pursuant to the provisions of Section 13.3 above, it shall forthwith transfer such excess to the Lender or the Assignee, as applicable. Upon such transfer, such Lender or Assignee, as the case may be, shall provide to the Company a certificate stating that it has received the amount to which it was entitled.
